Purple Group started its ambitious journey in 2009 with a commercial mall & residential apartment in Barmer, a main town situated in the western part of Rajasthan. The project garnered overwhelming response from the people of Barmer. The next milestones in the Journey of Purple Group were Purple's Panache - a multi-storey residential hub in the city of Alwar and Purples' Vivanta - a commercial-cum-residential apartment in Kota. Today, the group is poised to mark its presence on the larger spectrum of Rajasthan's real estate.
