Note-

1. Completion certificate must be issued after confirmation of Construction of Building as per Latest approved Building Plans of the Project. Parameters approved in Building plans and available on site must be filled in the concerning columns.
2. Empaneled Architect must ensure all applicable provisions as per building byelaws and other related Norms complied in the Project.
3. Empaneled Architect must ensure that all the Development works of the Building blocks as mentioned in Table "E" and Outer Development Works as mentioned in Table "F" must be completed 100% and accordingly Status of development work shall be filled as "YES" in the concerning columns before issuing Completion Certificate.
4. Empaneled Architect must ensure that all the NOC's and Certification (as applicable) must be obtained before issuing of Completion Certificate.
5. If any provision is not required as per Latest approved Building Plan and Norms then write 'NA' for Not applicable in the concerning columns.
6. If there are deviations on site from latest approved Building Plans, then Revised maps needs to be approved from the Competent Authority before issuing of Completion Certificate. Building plans need not to be revised if there are Deviations like Elevational treatment, Minor changes in structural elements which do not disturb the parking placements, Common areas, allotted units and by such internal changes and GBUA and FAR/BAR of the project are not changed.
7. Cross-signatures/Self-attestation are required to be done on every page of the Checklist.
8. If the Technical parameters of the project (as per Table A, B, C & D) are not as per Latest approved Building Plans, any of the Development works (as per Table E & F) are not completed in all respect i.e. 100% and all the NOC's and Certification (as applicable) are not obtained, then, Completion Certificate shall not be issued, otherwise such Completion Certificate will be treated as Invalid.
9. If Completion/Partial Completion Certificate is issued on the basis of wrong facts, then, Govt. may cancel the registration/empanelment and take necessary action against the Architect and Completion Certificate will be considered as invalid.
10. If for any reasons, Completion certificate becomes Invalid, then, fee deposited for CC shall be forfeited and will not be adjusted
