Sir,

Apropos above. Your project proposal was considered in the 150th meeting of SEAC held on **01st February, 2017** at **Agenda no. 4.**

Observation of the Committee-

Keeping in view the examination of the documents submitted and the presentation made by the P.P, the SEAC resolved to seek following further clarification from the P.P. :-

1. As per affidavits by PP and the consultant regarding construction taken place at site dated 20.01.17, , the total built-up area of the project is 89096.78 Sq.Mt and as on today the total built up area constructed at the site is **16463.053** Sq.Mt. The PP should submit a certificate / Letter from JDA/UIT/PWD/RIICO regarding the built-up area constructed .
2. The PP should submit the revised CSR proposal as per the need based survey .
3. The PP should submit the revised Budgetary breakup for labour proposal as per the need based survey .

The representative of PP and the consultant present in the meeting were categorically advised to initiate advance action for collecting and compiling the required information /document, without waiting for a formal communication in this regard from the SEAC office and submit the reply of above queries in the
