Durgapura, Jaipur.

**Subject: Regarding providing water supply facility to Residential project, "South Court" in village Narsingh pura at Riksha,, Jagatpura, Khasra no. 123,124,133/659 Jaipur.**

Ref: Your letter dated 10-05-2017.

With reference to your request for providing water connection to Residential project South Court, your application has been received and in-principle approval is given subject to following conditions:--

1. Your project South Court in Jagatpura is planned to be benefited under Bisalpur WSS Extension Project. At present, there is no water supply infrastructure in your area to supply water. So your case falls under Clause 13 of department's circular referred above. As per this clause water connection can be released after completion of Khonagoriyan scheme.
2. Technical Clearance of this scheme has been accorded for three packages of Rs. 2.61 Crores, Rs. 60.00 Cr and Rs 50.00 Cr by Technical Committee of the department in its 591<sup>st</sup> meeting held on 23.09.2013. This covers your project area of South Court. The Proposal for Distribution Package is submitted to Finance Department for in principal A& F approval.
3. As per your submitted drawing Gross Built up area of your project is 36501.96 Sq. m. which is 392903.827 sq. ft. Accordingly, total amount of levy charges @ Rs. 42/- per sq. ft. are Rs. 1,65,01,960.734/- for Residential part only. You have

not indicated number of occupants residing at South Court from which it appears that the project is still under construction stage.

4. Execution of water supply scheme will be taken into consideration after issuance of Administrative & Financial sanction and technical sanction by the competent authority.
5. This office will inform you in due course of time regarding deposition of charges after issuance of necessary sanctions.
6. You are requested to convey your consent to deposit the above estimated amount as and when demanded by the department.
