Welcome to Sky-heights-your place in sky!

Once again Genesis brings state-of-the-art living to your door step. This time in the form of Sky-heights- A life without boundaries.

Yes, Sky-heights is built around beautifully landscaped. Where the outdoors melt into the interiors for a wide expansive feeling. Where the greens do not limit themselves to the landscaped parks. Where the crisp fresh air lets the first rays of the sun light up your living spaces. Where each unit is beautifully carved to match the perfection of your tastes. And the meticulous planning is reflected from their wonderful walls, fabulous floors and captivating ceilings.

These beautifully designed Sky-heights homes by Genesis promise to give you an experience that is functional as well as aesthetic. Each dwelling unit is magnificently refurbished and eye catching making each day of your life a beautiful experience that transcends time and space. Multiply your happiness by living in a place which makes your life magical and exquisite.

The wide open spaces around every home gives you the feeling of limitless boundaries. The manicured greens and the landscaped will add the extra zing to your morning walks which were never so pleasant before. The fully secure gated community is bound to give you the sense of security to your family and kids while you are away at work.

Affordable yet premium Sky-heights is your answer to the future!
